INTRODUCTION

WHO ARE WE?

With over 23 years of combined experience we are the place to come for your golf coaching. Giving you a memorable experience and making your game better is the goal of our team at Cottonwood.

We believe that coaching is a 2 way street, everyone is different and our goal is to help you understand what we need to know to make your game more enjoyable. Programs are tailored to suit your individual needs. We will work together to best realize your goals and maximize your potential. Please drop by the pro shop, give us a call or see us on the range and we would love to get your game on track.

LONG TERM PLAYER DEVELOPMENT/COACHING

This is a season long program for a player who wants to dedicate themselves to improving their golf game. This seasonal program will include:

- Goal Setting & Program Planning
- 10 Hours of Flexible and Customized Instruction
- Short Game
- Full Swing
- Course Management & Strategy
- Evaluation & Equipment Fitting
- Video Analysis
- FlightScope Analysis
- 2 Practice Sessions on FlightScope

\$999.00

SHORT GAME SESSIONS

Golfers lose almost 80 percent of their shots to par inside of 100 yards from the hole. 60% of the game is played within these 100 yards. So with all that in mind we have developed these fun and rewarding 1 hour sessions. Each hour focuses on a particular skill. The 1 hour sessions are putting, chipping, pitching sand and trouble shots.

Cost: \$39.00 per person minimum of 3 per group, maximum of 6 people

Feel free to get your friends together and make a group that can be arranged at your convenience.

** Please refer to the website and bulletin boards in the Men's and Ladies locker rooms for dates and times **

**Based on Golf Course Availability*

THE PLAYBOOK TO LOWER SCORES

Get better scores without the need to hit balls on the range. The playbook is an on the golf course program where we look at your strengths and weaknesses on the course. We go through the most relevant things for you that will help lower your scores. We may cover golf courses set up, strategy and management. Those hard to hit shots, or how to overcome playing with fear. Really, this course is about making you a better player without ever being on the range. The playbook you need for playing on the course.

Individual 1 hour \$99.00
2 people 2 hours \$99.00 per person
3 people 2 hours \$80.00 per person

- Goal Setting
- Trouble Shots
- Course Management
- Strategy
- Pre-Shot Routine
