INTRO TO GOLF

Membership

Junior golf just got a lot more accessible at Cottonwood!

We are excited to announce our new “Intro to Golf!” junior membership for the 2020 season. Non-member parents are permitted to use the facilities and have access to the course with their child (restrictions outlined below) at Cottonwood but only when they are invited, so Mom and Dad better be on their best behaviour! They might be able to teach the adults a thing or two as well!

We hope that this new membership category allows for children that are new to golf to develop their skills and a love for the game of Golf before committing to a more substantial membership at Cottonwood. In its second year, the number of memberships available will be limited to 64 – so act fast and sign up your children as soon as possible!

How the “Intro to Golf” Membership works

Facility Access

From June 1st onwards, Intro to Golf members will have access to the practice facilities at Cottonwood after 5pm. Non-member parents are allowed to use the facilities only when practicing with their child. Any parents that are playing members at Cottonwood will be allowed to take their child/grandchild out on the golf course after 6pm at no charge.

Included Playing Lessons

Each Intro to Golf member will be able to sign up in lesson Group A, B, C or D. **Playing lessons will take place in June, July, August and September on Tuesdays from 6pm to 7pm (one lesson per month per child).**

Group A will have their lesson on the first Tuesday of the month, Group B will have their lesson on the second Tuesday of the month. Group C will have their lesson on the third Tuesday of the month. Group D will have their lesson on the fourth Tuesday of the month. **A Cottonwood PGA instructor will take 4 children out for a 1 hour player lesson following a Texas scramble format (pick the best shot from the group). Course etiquette, pace of play, rules and having fun on the golf course will all be covered!**

Included Tournaments

Intro to Golf members will have the entry fee for one 9 hole texas scramble tournament (pick the best shot) per month in June, July, August and September included in their membership. Here is the best part – they can invite their parent to play with them at no charge (so be nice to your kids.....). This tournament will take place on the last Monday of each month. Everyone is new to the game and the tournament will be the only people of the golf course, so no need to feel stressed about pace of play or making too much noise! There will be a max score on each hole or a max time limit, so you can simply just pick up and go to the next hole if necessary!

Cost - \$250
