

COTTONWOOD GOLF & COUNTRY CLUB

LADIES INTRO TO GOLF

2020

3 Instructional Group Lessons with our PGA of Canada Professionals

- All instruction will be in a group setting with a student to instructor ratio of 6:1
- This group size allows ample instructor time but also provides a comfortable setting to work individually on new techniques without a constant audience!

3 On Course Group Playing Lessons with our PGA of Canada Professionals

- Every new golfer struggles to take what they've learned on the practice tee and transfer it to the course
- Our Group Playing Lessons, ease that transition and provides an opportunity to discuss the rules & etiquette of golf in a "real-world" setting

Access to the Cottonwood practice facilities for the duration of the program

- Learning the game can be difficult but with access to our expansive practice facilities you'll enjoy working on your game throughout the summer!
- Access is available after 5:00pm daily

Registration into the Ladies Intro to Golf Windup Scramble Tournament on September 11th

- At the end of the season we'll take what you've learned and apply it in a fun 'tournament' setting
- The Scramble format is the perfect, low pressure game to introduce all participants to tournament golf ... especially when the focus is prizes and fun

Rental clubs available at no charge

- No Gear, No Problem
- Use ours at no added cost!

Social beverage included with each lesson

- Golf is a social game; the most important aspect of the Intro to Golf Membership is finding your place in the Cottonwood Community!
