

COTTONWOOD GOLF & COUNTRY CLUB

LADIES INTRO TO GOLF

2021

3 One Hour Instructional Group Lessons with our PGA of Canada Professionals

- All instruction will be in a group setting with a student to instructor ratio of 6:1.
- This group size allows ample instructor time but also provides a comfortable setting to work individually on new techniques without a constant audience!

3 Nine Hole On Course Group Playing Lessons with our PGA of Canada Professionals

- Every new golfer struggles to take what they've learned on the practice tee and transfer it to the course
- Our Group Playing Lessons, ease that transition and provide the opportunity to discuss the rules & etiquette of golf in a "real-world" setting.

Access to the Cottonwood practice facilities for the duration of the program

- Learning the game can be difficult but with access to our expansive practice facilities you'll enjoy working on your game throughout the summer!
- Access is available after 5:00pm daily from June 1st through to the end of the season.

Registration into the Ladies Intro to Golf Windup Scramble Tournament on Friday, August 27

- At the end of the season we'll take what you've learned and apply it in a fun 'tournament' setting .
- The Scramble format is the perfect, low pressure game to introduce all participants to tournament golf ... especially when the focus is on fun and prizes.

Social beverage included with each lesson

- Golf is a social game; the most important aspect of the Intro to Golf Membership is finding your place in the Cottonwood Community!

Lessons will take place on select Friday evenings throughout the summer

- June 4, June 18, July 9, July 16, August 6 & August 20

Membership Cost: \$500 + GST
